The Red Chronicle

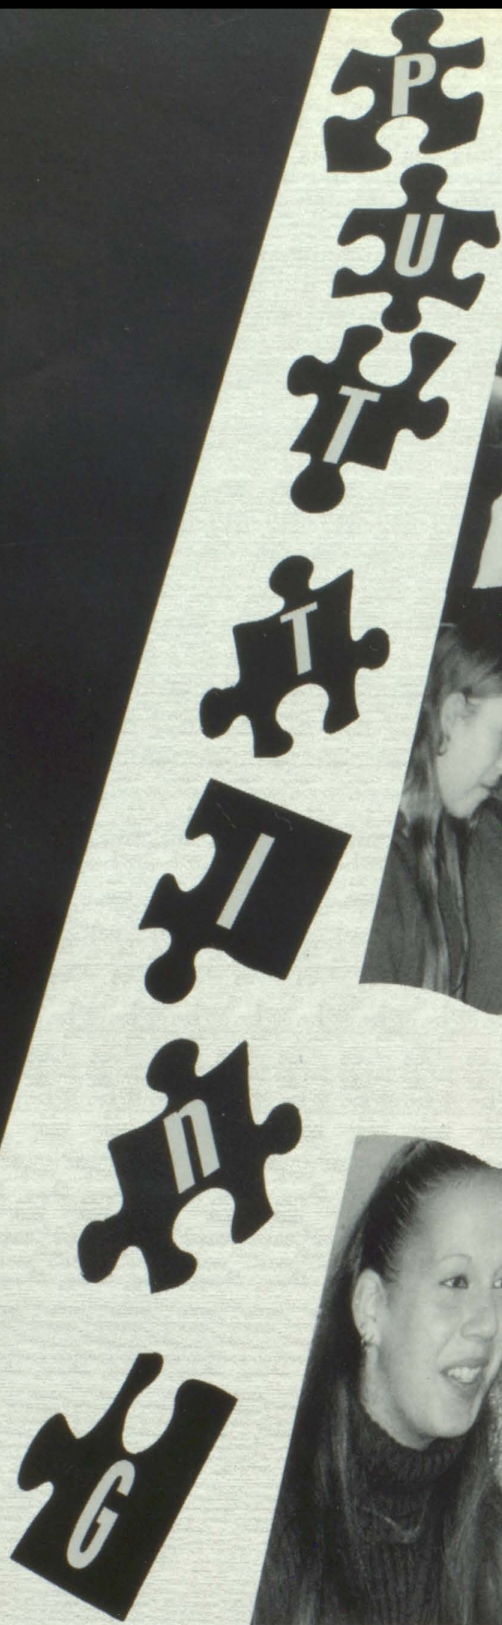

September 1997:

Brand new sneakers approaching hesitantly to the front doors..... A new life full of unexpected experiences..... The unfamiliar faces that stared on the first day..... The frustration of getting lost compounded by being sent to the wrong place by a senior..... Remembering the unbelievably irritating ring of the fire alarms..... Getting that feeling of uncertainty as to whether or not there really was a fifth floor pool..... Trying to get through this day.....

June 2001:

Unbearable anticipation of what lies ahead..... Stepping backward, remembering all the individual memories..... Stepping forward, imagining our walk to receive our diploma and the walk away from security and out into the world..... Last steps down, the everyday journey of the staircases that were once packed..... Last stroll through the orange, green and white hallways..... The last run of the combination lock..... Removing everything from the locker, that once held all that was learned..... All is done..... Turning one last time and swinging the locker door shut with a heart-sinking thud..... All we have left to remember this part of our lives is this **RED CHRONICLE**.

May 2000...it seems like an illusion. I recall a blurry, gray overcast day. It was not long ago, but it feels like a distant memory in the back of our minds. All the suits accompanied by elegant gowns seemed too swift as if in a fast waltz, making it from the vehicle's door to the celebration amidst the endless rain drops falling from the sky. The sounds of the fancy shoes splashing through the cold puddles, interfered with the sounds of the D.J. mixing the newest beats that were heard at the entrance. A myriad of sparkling silver stars glistened on the enveloping walls. On this day, we joined together to celebrate the ending of our three years as East Side underclassmen and the start of our experiences as East Side Seniors, the Class of 2001. The atmosphere on the dance floor, that one special night, can only be described as though we all were Dancing On The Clouds.

RED PRIDE

RED - A Symbol of pride and honor! From our everyday gym suits to our team uniforms **RED** is and always will be in our hearts and memories. **RED**, the ever existing color of love; the love which we have carried throughout the years at school events. **RED** has been there since freshman year and **RED** will live on forever. **RED** is the fire that burns in our souls - the eternal flame that will light our path as we walk out into the world. **RED** runs in our veins and circulates through our minds. Even though we leave this school, we will never leave the **RED** behind.

"One does not realize what they have until it is lost." To Ahmad Ismail, the Valedictorian of the Class of 2001, this frame of mind is what keeps him going. He plans to go to either Princeton, Harvard, or Essex County and aspires to become an orthopedic surgeon.

Ahmad is very goal oriented and a strong leader.

That's why our class was lucky to have him as a Student Council President and also as a school representative for the Student Leadership Team II. Not only was he a scholar but he was also a high ranking athlete as the captain of both the volleyball and swimming team. Eventually, Ahmad plans to move to California and raise a tiger.

RETIREES

Mr. Joseph Grisset grew up in Bradenton, Florida and attended Lincoln High School in Palmetto, Florida. He has been teaching for thirty years, twenty of which have been at East Side High School. His hobbies include sports and clubbing. He was quoted to say, "The best people I know are those graduating this year." He plans to return to East Side High School for another six months, but "Don't ask why?" Knowing how he *LOVES* the students at East Side, he's probably coming back to relive the *GOOD TIMES*. After that he plans to begin a new identity in Florida. Maybe he'll be the next Bob Marley.

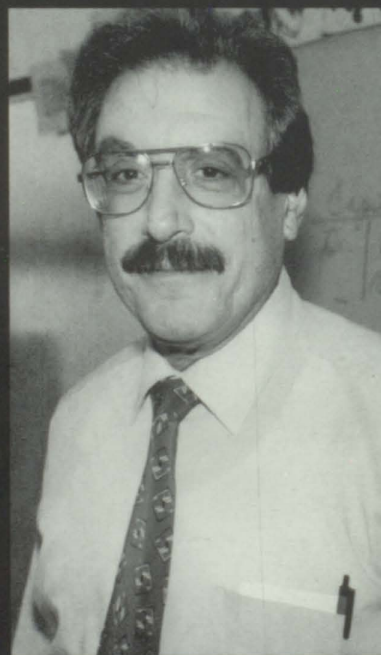

Right after her college graduation, in 1969, Ms. Young got her first teaching job at East Side. Throughout the years, she's been an inspiring math teacher. Her love for math is not limited to the classroom, in her spare time she enjoys working out challenging math problems and plans to read up on advances in math during her retirement. She also enjoys interior decorating and cooking for her family, who she plans to spend more time with when she moves back to Atlanta, Georgia. She wisely advises the graduating class, "As you grow older, you value your friends and relatives more." Thank you Ms. Young for dedicating thirty-two wonderful years to the students of East Side and for being the only person who can mathematically figure out the deductions in the teachers' paychecks.

RETIREES

Mr. Filipone has been a teacher in the Newark Public School system for the past 33 years. He started out at West Kinney Junior High, then moved to Chestnut St. School, then finally in 1987 he joined the East Side High School family. Mr. Filipone has grown up between New Jersey and Florida. He went to schools in both Florida and Kearny, attended Union High school, and is a graduate of Seton Hall University. Mr. Filipone's favorite extra curricular activities are, among many, scuba diving, going to the beach, and traveling extensively. Mr. Filipone will leave the East Side family for travels and living by the shore. The next time you see a man on the beach that kind of looks like Mr. Filipone, say "Hi", it just might be him.

To the Seniors, I congratulate you on the successful completion of this phase of your lives. Your tenacity throughout the past four years has earned you the right to step out into new and exciting experiences. I challenge you to take on these new responsibilities and tasks with the same determination and self-direction you have developed and displayed during your time at East Side High School. I am confident that you will succeed in attaining your goals. Aim high and reach beyond what is expected of you. Use your experiences at East Side to your advantage and walk forward with both your accomplishments and setbacks. Wherever life may lead you, always remember that you are a part of the East Side High School Family.

As we struggled our way through four long years of point slopes, trigonometric equations, derivatives and the area of a dodecahedron, we would sometimes direct our angst at the person presenting us with these problems. In reality, we appreciate the dedication and patience that our Mathematics Teachers have shown us throughout our years at East Side. The skills we acquired because of their endless efforts are invaluable. We will always remember our teachers with great fondness.

Physical Education

Over the last four years, with the help of our Phys. Ed. and Health Teachers, we have learned to live stress free lives. We now know how to handle tough situations and how to take care of our bodies and ourselves. But what we will remember most are the many fun memories that we'll always treasure and for that we thank you!

Science

Did you know that one human's entire circulatory system can wrap around twice the circumference of the world? It's interesting things like this that our Science Teachers have taught us. After all the information on formulas, photosynthesis, elements, and neutron stars that has been drilled into our heads, we've learned to appreciate the science of the natural world in which we find ourselves. We thank our science teachers for showing us the complexities of a blade of grass when we would rather ignore it and walk right by.

SOCIAL STUDIES

IN SOCIAL STUDIES WE LEARNED ABOUT DIFFERENT CULTURES, RACES AND BACKGROUNDS. WE WERE INTRODUCED TO ALL THE HARD-SHIPS AND JOYS OF LIFE IN NEW LANDS. WE ALSO LEARNED ABOUT THE HORRORS OF WAR, WHICH HELP US APPRECIATE WHAT WE HAVE NOW.

We would like to extend our thanks to the teachers who have taught us to say "hi" and "thank you" in many different tounques. They have taught us to speak in different languages and helped us to learn the history of different countries. Our foreign language teachers have made learning to speak a foreign language a completely enjoyable experience. Most importantly, with our new language skills, we have learned to encounter difficult situations with great ease. Learning Spanish, Portuguese, Italian, or French has given us the opportunity to travel new roads of experience.

NASDAQ or NY Stock Exchange? Will the Federal Trade Commission raise interest rates? Will those sky rocketing technology stocks finally bottom out? So kudos to them and may their profit ledger always remain in the black!

Our guidance counselors not only provide the help we need but also give us the advice we need to get through our high school years. They help us choose the right path towards college and our futures. Also, at times the guidance office is our excuse to get out of class. We are thankful for having such caring people who are willing to be there for us any time we need them.

Mr. Stephen

Leonardis

"Pursue your dreams, choose something you'll be happy in." That is exactly what Mr. Leonardis has done. Born and raised in Ironbound Newark, he attended Lafayette St School and our very own East Side High School. After graduating from Jersey State College in 1969 with a BA in science education grades 7 to 12, Mr. Leonardis came back to East Side to give back to the community he's always loved. When asked "Why did you go into teaching?", he replied, "I wouldn't feel comfortable doing the same thing ever day. With teaching, everyday is a new

day. Either someone influences me, or I influence someone else."

In 1971, Mr. Leonardis brought the ice hockey program to East Side and coached it for nine years. In 1977, Mr. Leonardis took his team to Finland and Sweden. They spent four nights in Finland then went to Sweden to play a local team and a national team. "We didn't beat the national team, but I told them that it will hit them fifteen years after they graduate. It was an experience of a lifetime."

After eighteen years of teaching at East Side, Mr. Leonardis became the Athletic Director of East Side. He was named Outstanding Athletic Director of the Year. He remained an Athletic Director for eleven years. He was also named Man of the Year by the Croquette Italian Association who honor educators. He's been a Vice Principal for three and a half years now.

Not only is Mr. Leonardis an outstanding teacher and administrator, he's also an excellent athlete. In 1963 he tried out for the Mets. "They basically told me, 'Don't call us, we'll call you.' And to this day, I'm still waiting!"

G I R L S' S O C C E R

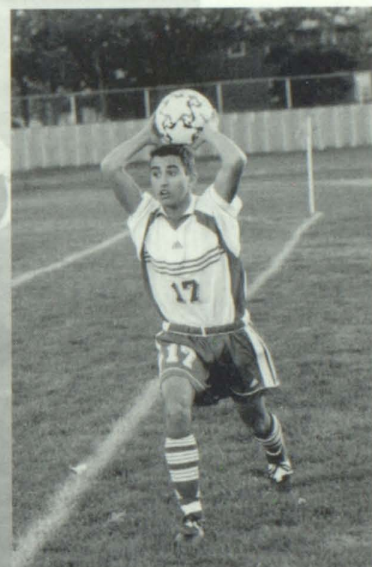

Congratulations to the Girl's Soccer team for qualifying for the State Tournaments. This year the team was coached by Mr. Tosun and the team captains consisted of Carine Carvalheiro and Carla Camara. The team record was 11-9 and exceptional performances were provided by Carine Carvalheiro with 20 goals and All County Honors as well as all her teammates. Through unparalleled effort and practice new standards were set for subsequent teams to aspire to.

BOYS' SOCCER

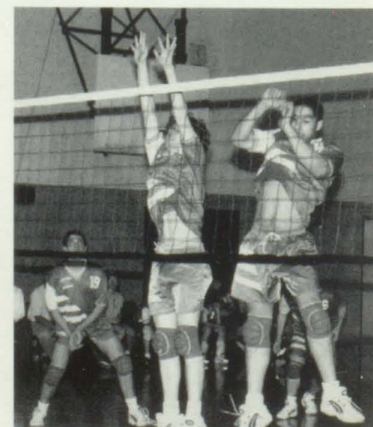

During the boys' soccer team's exciting 2000 season a new school record was set when Leandro Da Silva produced 22 saves against Kearny's team who was ranked second in the state. In another long grueling battle against County Ranked Elizabeth our team played them to a draw. The team that never gave up and never gave in was led by team captains Bruno Pereira, Luis Dos Santos and Leandro Da Silva and coaches Pasquale Pontoriero and Junior Matthews.

BOYS' VOLLEYBALL

The Boys Volleyball team was coached by Mr. Westberry and Stephano Meton. Our outstanding 1999-2000 Varsity Starting 6 consisted of Guilherme Matheus, Rogelho Trento, Bernard Perutti and team captains Ahmad Ismail and Cristiano Liborio. These boys competed in the States Best League against the top teams in New Jersey. They stepped up to the competition and finished the season with a 9-12 record. They exceeded people's expectations and promised a great and exciting season last spring.

GIRLS' VOLLEYBALL

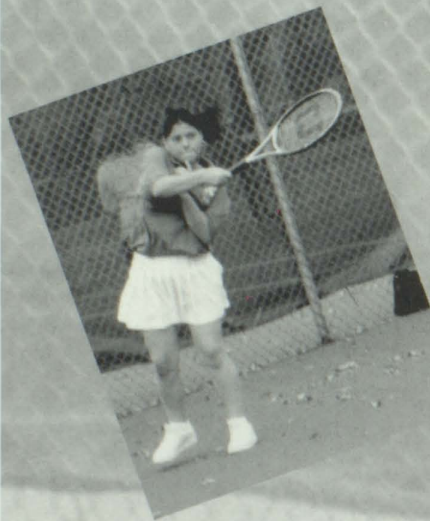

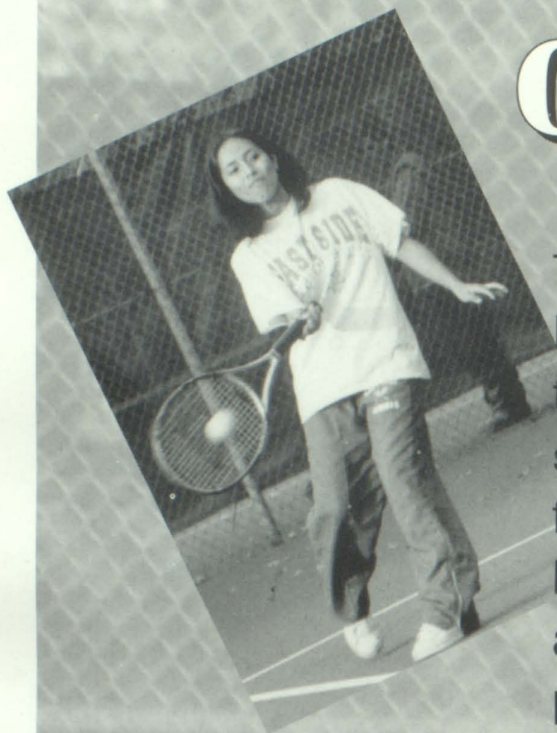

Lets give three cheers for the Watchung Conference American Division Champions: East Side's Lady Red Raiders. Led by coaches D. DeOliveira, A. Gomez-maicas, and R. Belcore the girls volleyball team brought Red Raider spirit back to the halls of East Side this season. For the very first time in six years they swept Union High School. This phenomenal team ended the season with a remarkable 18-4 record. Their team co-captains are seniors Roberta Teixeira and Giselle Soares.

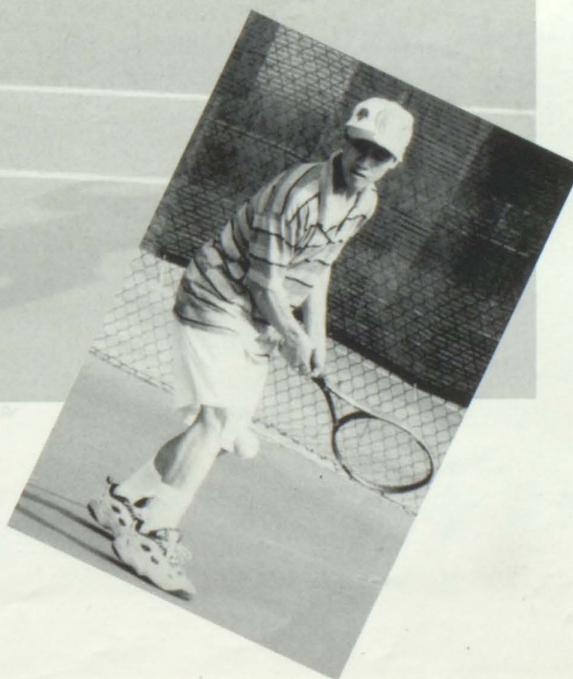

GIRLS' TENNIS

The girls' tennis team was coached by Evan Dessasau. They had an exceptional year with an 8 win 9 loss season and never did they flinch in the face of adversity. This team was led by its co-captains, Alexandra Alulema and Wendy Auqui, and exceptional performances were given by Nhi Vo and her teammates. Not only did they succeed in the tennis courts but they also excelled in the classroom. They gained more confidence as the season passed by and as a result, they beat all the schools in the city of Newark.

BOYS' TENNIS

This year, like any other year, the boys' tennis team had a worthy season which brought them to a new level of playing experience. Coached by Mr. Evan Dessasau and led by the co-captains, Ricky Viegas and Roger Laylo, the team had a fun season. They never strayed away from a challenge. The team showed tremendous sportsmanship and achieved a high goal by defeating all the tennis teams in Newark.

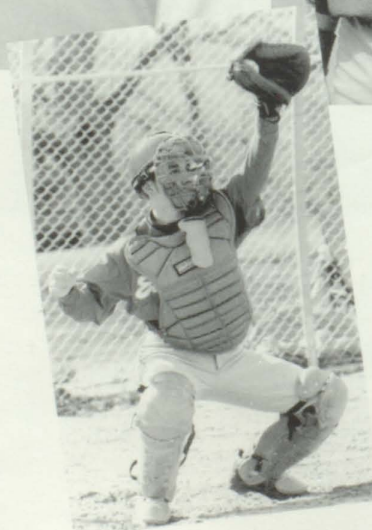

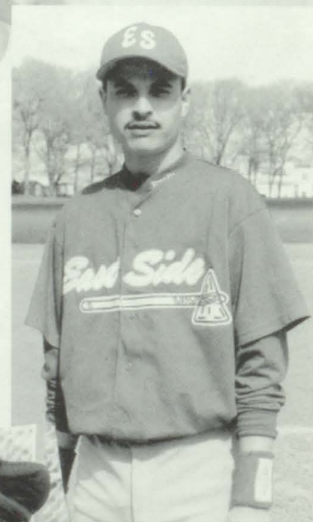

BASEBALL

With an on-base average of .571 and an outstanding batting average of .458, Jayson Danker, the team captain, led his team to win the Newark City Championship with a 5-0 win over Barringer High School at Newark's new Riverfront Stadium. Jayson Danker was awarded second team player in the county. The season highlights were a tight 1-0 victory over Plainfield, No-Hitter vs Irvington by 9-1, a ninth inning victory over Linden by 4-3 and a great upset over state power Kearny 7-6. Another team member to have an exceptional year was Josue Castellano who hit four home runs and had fifty total bases. The team was coached by Kevin J. Duggan, Ricky Rodriguez, Pat Farley and Brian Sheridan

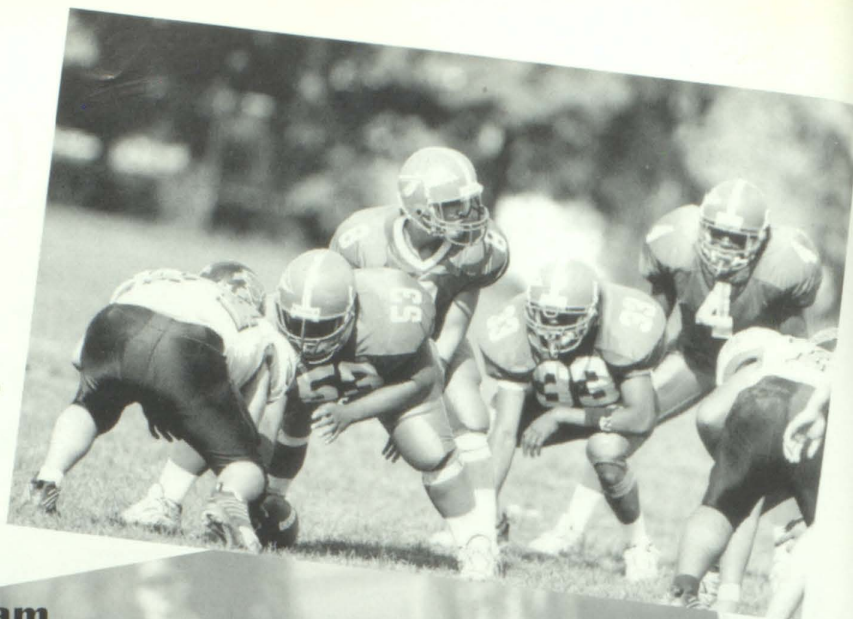

SOFTBALL

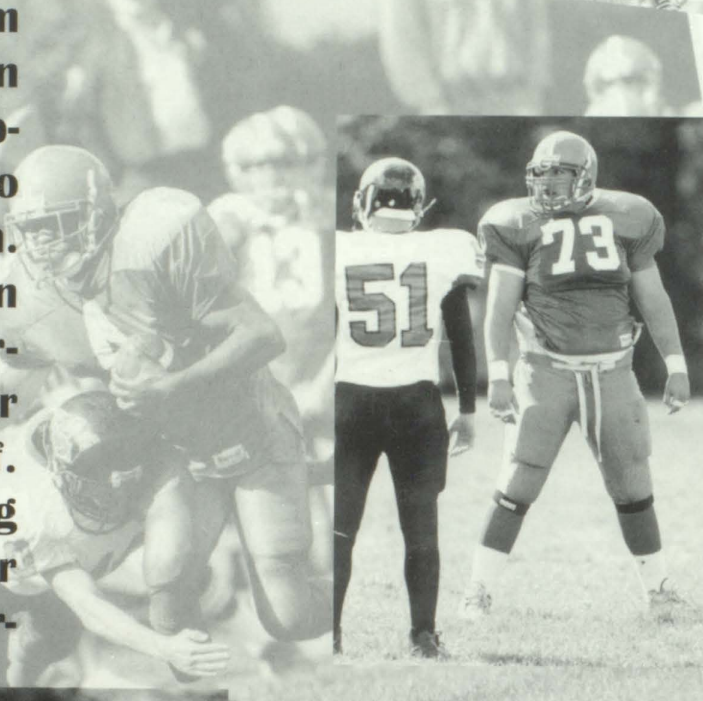

Congradulations to the Softball Team for winning the City Championship. This year they were coached by Mr. Tosun. The team captains consisted of Rosa Bayas, Erika Rodrigues and Desiree Henderson. Their team record for the season was 11-8. Exceptional performances were given by Rosa Bayas with her more than excellent pitching along with contributions from all her team mates.

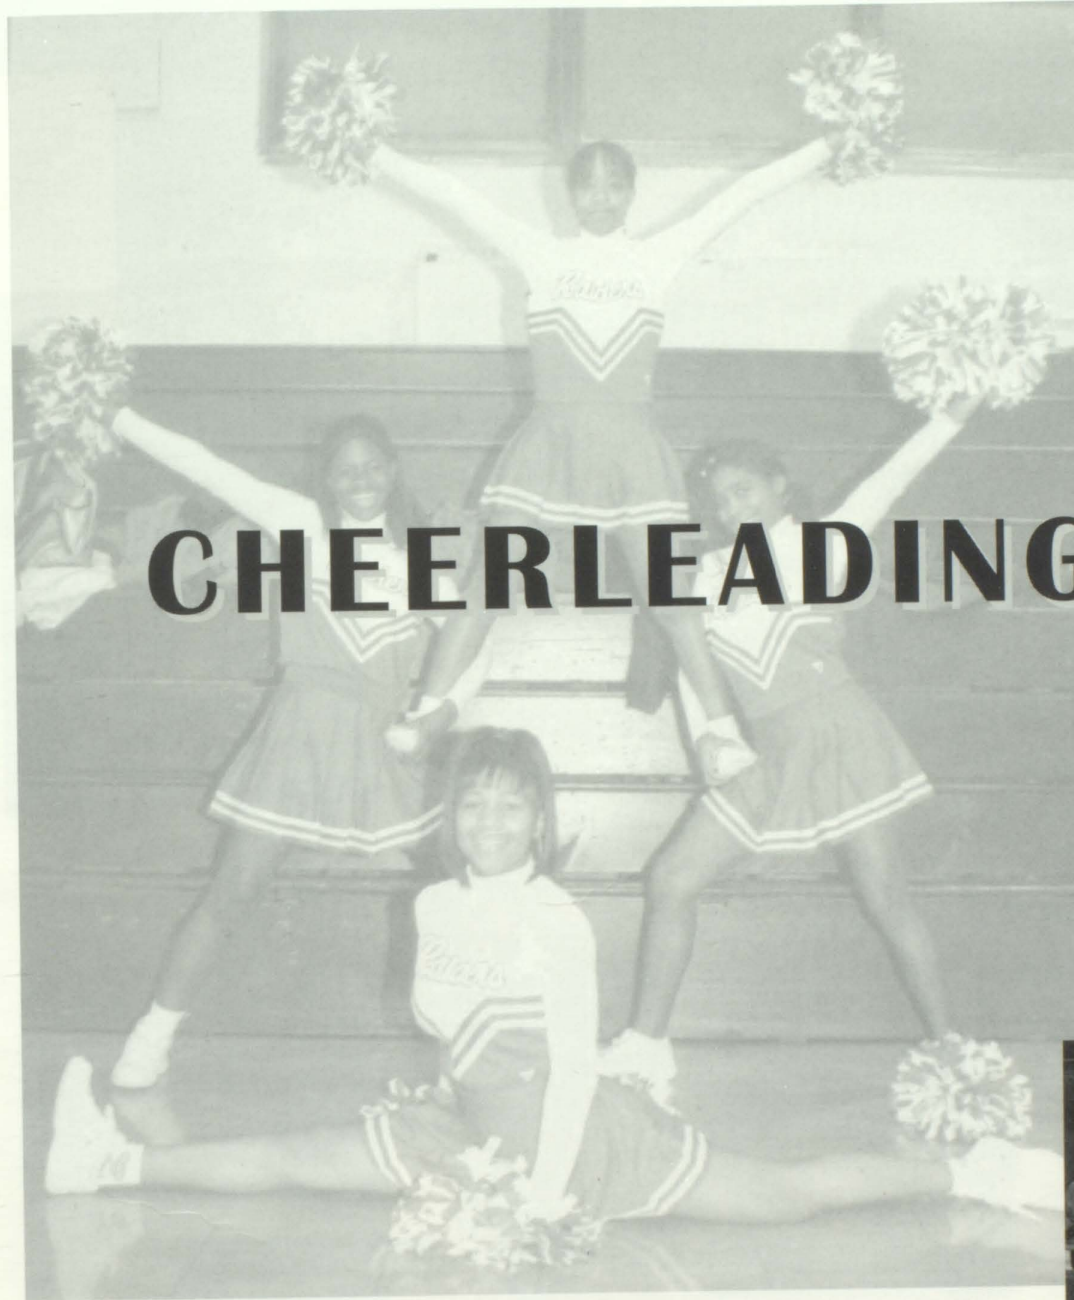

FOOTBALL

The coaches for this year's team were Mr. Ostrowski, Mr. Sheridan and Mr. Zennario. The team captains were Syhan Webb, Ricardo Garden and Ramaar Robinson. The MVP for this year was Syhan Webb and exceptional performances were given by Ramaar Robinson and Syhan himself. The year 2000 was a rebuilding year for the team, but next year they will be expecting 32 new Varsity players.

BOYS' BASKETBALL

With the coaching of Anthony Tavares, Byrant Garvin, Ricky Scotton and the help of Luis Nascimento, the East Side Basketball Team had a tremendous year. Being led by the team captains, Randy Foye and Jeff Carswell, their outstanding performance earned them a team record of 18-10. Randy Foye had an exceptional season with an average of 24 points, 8 assists, and 7 rebounds. Valiant efforts were also given by Johnny Lima, Smart Obi, Dave McSwain, Calvin Oneal, and Pierre Mitchell. This year's team was the North Jersey Group 4 Section 2 Champions and the Semifinalists in the Essex County Tournament.

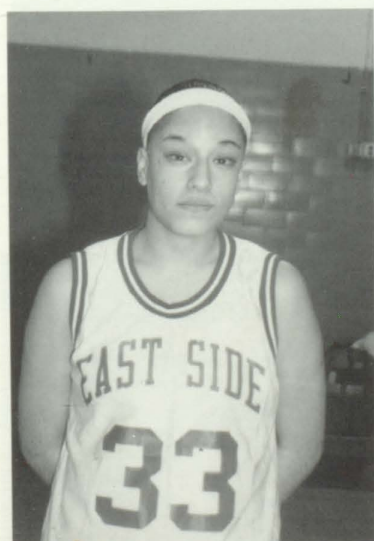

GIRLS' BASKETBALL

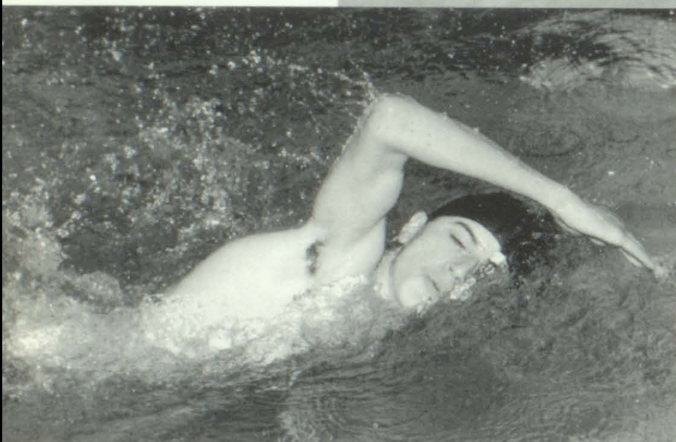

Even though they went through rough times this season, they never let their spirits down. Two phenomenal players who supported and encouraged the team were captains Monica Ellis and Lucy Brown. Monica Ellis averaged 21.5 points a game and broke the school record by scoring 44 points in a single game. With her valiant efforts, Monica, will most likely earn All-County Honors.

SWIMMING

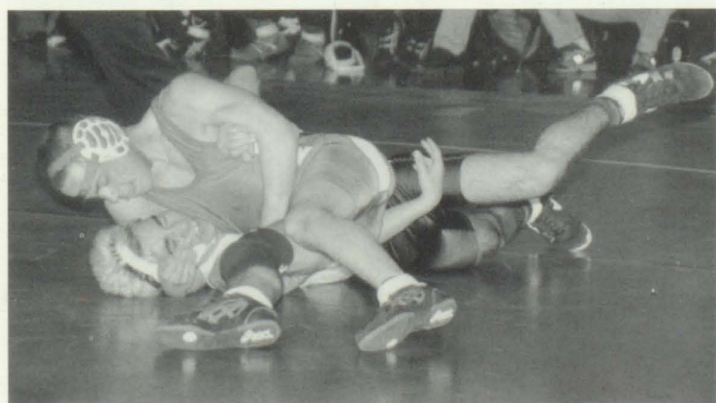

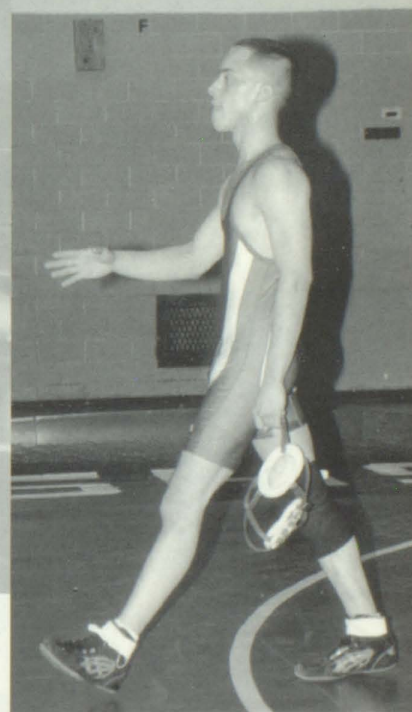

"Determination and persistence will eventually pay off." Helped by this saying and coached by Jim Stock, the Swim Team had another heartfelt season. Lead by co-captains Ahmad Ismail and Diego Vasquez, the swim team participated in 13 meets. Exceptional performances were also given by Boris Petrovski and Guillermo Melosevich.

WRESTLING

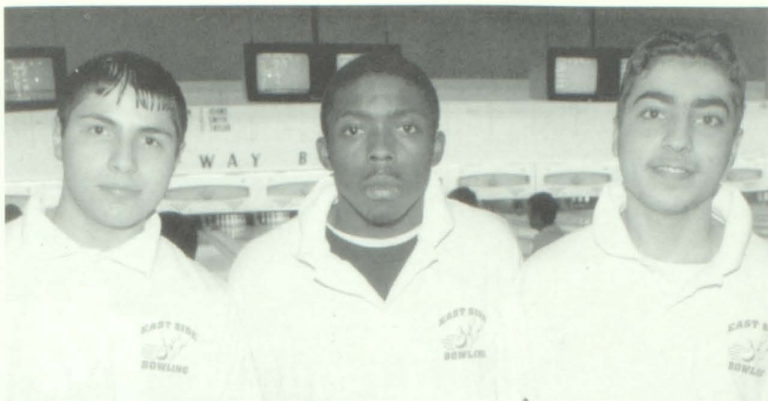

Our wrestling team, led by co-captains Filipe Santos and Brian Pereira, had a highly competitive season. Due to the coaching of Steve Sandford, Kevin Jardim and David De Oliveira our wrestling team excelled. Brian Pereira was the third place winner in the district. In the Edison tournament Jose Cano captured the first place title with Filipe Santos not far behind in third. On a whole, the wrestling team showed major team effort and pride.

HOCKEY

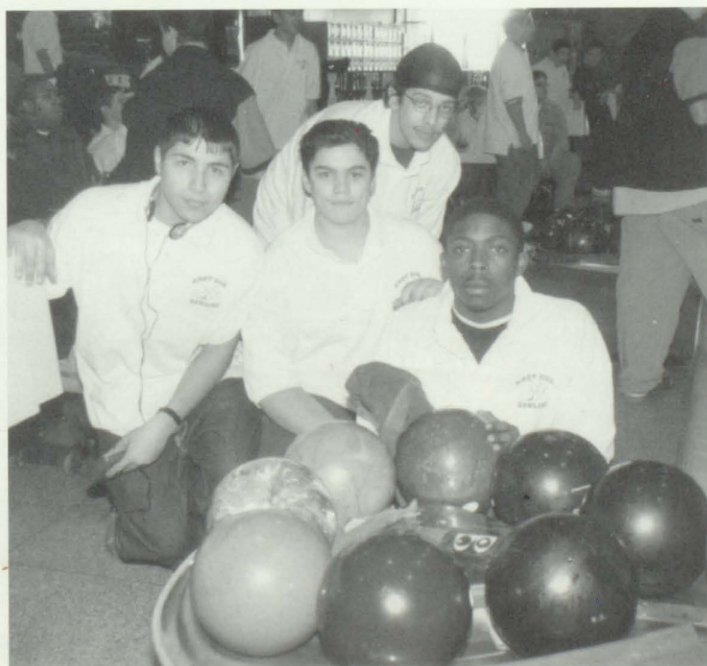

Our hockey team, which is coached by Giuseppe Regal and Rick Rodrigues, has had an impressive season. Co-captains Jose Ramalhosa and Keith Santos, East Side's leading scorer, along with the rest of the team helped to bring much success to East Side. Keith Santos proudly represented East Side by making 1st Team All Star. One of this season's highlights was the East Side hockey team tying Tenafly who had a 16-0 season.

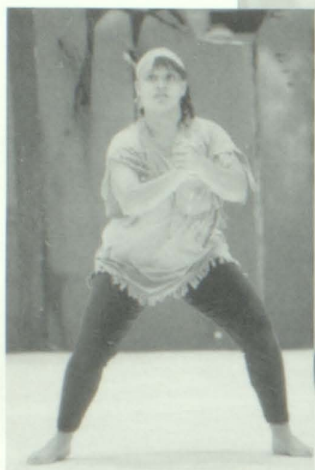

BOWLING

The Bowling Team had another exceptional season with trips to the Watchung Conference, where they placed 5th, and the Essex County Tournament, where they placed 13th. The team was lead by Alex Raimundo, who won the 200 Game trophy, and team captain Ronald Findley. It was coached by Mrs. Steele. Exceptional performances were also given by Ishaq Bukhari, Pasqual Arroyo, Scott Motta, and Michael Gouveia.

GIRLS' VOLLEYBALL

The East Side Girls' Volleyball Team was able to surpass all obstacles this year. Through hard team effort they were able to capture the American Division Championship and the Newark Public School Championship. Even when it seemed that our team had reached its peak, they amazed us once again. With an eight to nothing sweep, our Lady Red Raiders were able to capture the Watchung Conference Championship.

BOYS' BASKETBALL

We held our collective breath for six exciting games as the East Side High School Basketball Team propelled themselves deep into both the Essex County and State Tournaments. In the Essex County Tournament the team made it to the semi-final round by impressively defeating Newark Tech and Columbia, only to lose in a three point heartbreaker to the number five team in the state, Shabazz. East Side lasted four rounds in the State Tournament, defeating the favored Linden High School in the first round. East Side became the New Jersey Group Four Section Two Champions by beating the highly rated Plainfield High team.

GIRLS' SOCCER

Our East Side Girls' Soccer Team has come a long way since last year. Rising above the challenge, they ranked eighth in the county. With their excellent record and enormous team effort they qualified for the extremely competitive state tournament.

SOFTBALL

In a 13-2 victory, with Rosa Bayas pitching a no-hitter, the Softball team was able to advance to the Newark City Tournament Championship Game. With the help of Rosa Bayas and a tremendous team effort, they limited Arts High to one run, enabling East Side to triumph in a 7-1 victory. With teams like the East Side Softball team, our torch's flame will never die out.

BASEBALL

Beating Kearny, fourth in the state, was just the beginning for East Side High's baseball team. Our team played the 2000 Newark City Tournament Championship Game at Bears' Riverfront Stadium. East Side easily swept Barringer High in a five to nothing route. Our torch's flame was once again maintained.

ATHLETE HIGHLIGHTS

**Carine
Carvalho**

Our East Side female Pele brought us great pride with her outstanding performances on the soccer field. She helped her team achieve great heights, unimagined before. Everyone's mouths dropped when she broke the school record by scoring 19 goals in one season. Along with playing as a Red Raider, she also participates in other soccer teams in our community. Carine is a valuable player and a hardworking individual that deserves credit for her achievements.

Jayson Danker, one of our baseball team captain, was a great leader during our baseball season. He finished off a great season with a .458 batting average. He was MVP for the Newark Public School Championship game. His remarkable talent earned him the title of a Second Team All-Essex County Scholar Athlete.

Jayson Danker

**Giselle Soares
Roberta Texeira**

True team work could not come in a better package. Giselle Soares and Roberta Texeira set the pace for the girls' volleyball team this past season. These captains achieved extremely positive goals as the team soared up to many championships. The MVP was Giselle Soares, with Roberta Texeira not too far behind. With powerful serves these two Lady Red Raiders went in for the kill. They led

an outstanding team all the way to the top and kept them there. Roberta and Giselle have memories within them of an exciting season, the struggles and the great events, that won't soon be forgotten.

Monica Ellis

Monica Ellis will always be in East Side High basketball history due to her overwhelming record setting 44 point game. By the end of the tiresome season, Monica had a 21.5 point per game average. Her show of talent on the basketball court earned her a spot on the All-County team. With her swift layups and clean three pointers, with elegance and class as a Lady Red Raider, her legacy will be left behind for those to come.

Rosa Bayas

The fireballs that intimidated the batters on the teams we faced were pitched by our beloved Rosie. Her shyness was always put aside when it came to facing her opponents. The entire team looked to her for support during their season. She answered everyone's prayers and pitched three no-hitter games to help the softball team become the Newark City Tournament Champions. When they won, Rosa's sweetness and power shined brightly. She will always be known for that arm that knocked all the batters out of the box.

Johnny Lima

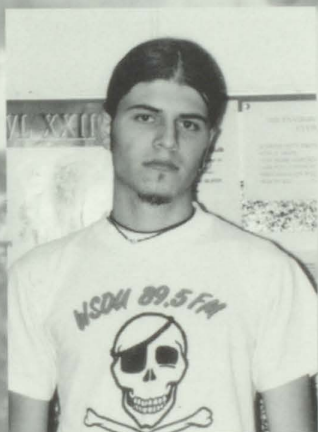

This year's season was another great step for one of the shining stars on our great basketball team. Johnny established a great season, once again averaging 10 pts, 4 assists, and 1.5 steals a game. He was quoted to be the quiet leader of the team. Johnny played exceptionally well in the play off game and in the state semifinals. The team is sure to miss him and his great abilities.

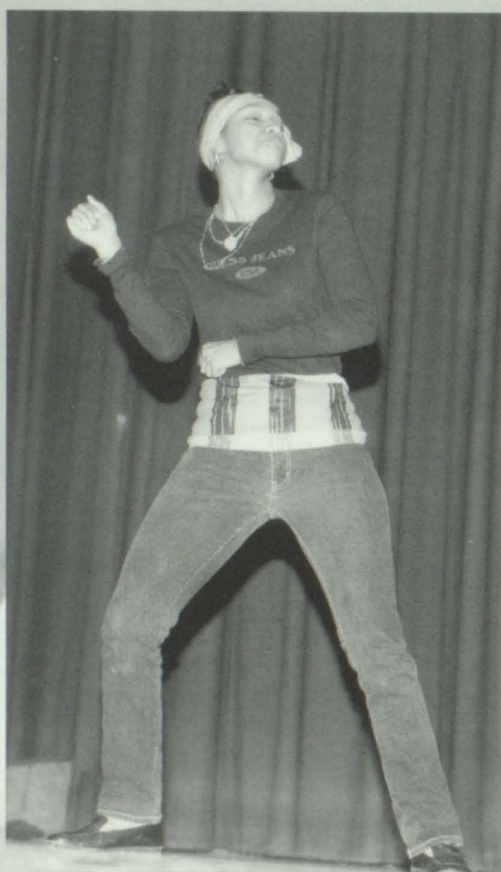

In his first year as an East Side Red Raider, Smart was a major contributor to the team. He stood out in three games against Plainfield not only because of his name but because of his performance. He averaged 8 pts a game and was an extraordinary rebounder. Wherever he may go he will be a great inside presence there.

Homecoming 2000

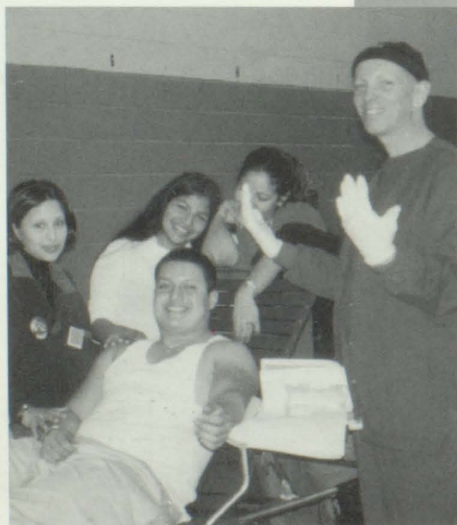

The stars shimmered and surrounded us on October 27, 2000 at East Side High's Homecoming for the graduating seniors. The School Spirit Club pulled off another sparkling event that many of us won't soon forget. We presented ourselves in our best outfits and prepared each other for a memory that came as fast as it went. The pumping vibration of the music echoed throughout the walls as we laughed and moved to the rhythmic beats. Everyone seemed to be electrified and energized in an atmosphere of exciting music.

To start off the presentation, the School Spirit Club advisor, Mr. DeOliveira, came upon the stage and proceeded to announce the Homecoming Queen, King, and their royal court. The Homecoming Court included Yumilka Ortiz and Hamilton Fernandez, Farina Passos and Ivan Encarnacion, Catia Moreira and Hugo Pestana, and finally Belinda Davalos and Tiago Ferreira. An anxious and enthusiastic King and Queen stepped forward to claim their throne. Our Homecoming King was Cristiano Liborio and our Homecoming Queen was Liliana Vieira. The camera flashes and applause bombarded the stage where the King, Queen, and their Court stood. The happiness and music continued as the groups of people mingled and danced. This event came to an end after the celebration became quiet and everyone retreated into the starry night.

DOING THEIR PART

On October 29th of 2000, East Siders showed their true school spirit by engaging in a walk-a-thon for autistic children. The walk-a-thon was sponsored by generous faculty and family. Not only was money raised to contribute to the Autistic Fund, but everybody had a great time.

VALENTINE'S

Surrounded by an explosion of red, white, and pink, diverse music, and a multitude of friends, the students of East Side gathered for an unforgettable Valentine's Dance on February 9, 2001. Coordinated by the Junior and Senior Classes and sponsored by the School Spirit Club, the event was enjoyed by many, elegantly dressed for a night to remember. There was a wide variety of entertaining diversions for students to participate in, ranging from raffling to socializing to dancing. Raffle prizes included teddy bears, movie passes, and romantic dinners for two. Couples danced the night away to many different types of music, with romantic songs the main choice for the night. The last dance, This I Promise You by N'gyne, set the mood as the people winded down a night that will forever be in memory.

Baby, you're everything to me.
You're the light at the end of the tunnel.
You're the Angel at Heaven's Gates
The light of my eyes
You're the snow in the winter,
The leaves in Autumn.
You're the sun in the summer,
The flowers in spring.
And I will love you
Until I breathe my last breath of life

True Love Always Finds Its Way Back...

Cathy

Throughout all the good times and the bad
 While others walked in and out of our lives
 Bringing us laughter and tears
 We were always there for each other
 And as we go on with our lives we know
 We will always be there for each other like
 sisters
 As we sit here and stare at the future we
 are uncertain about many things but,
 truly certain about one thing
 Our Friendship.....

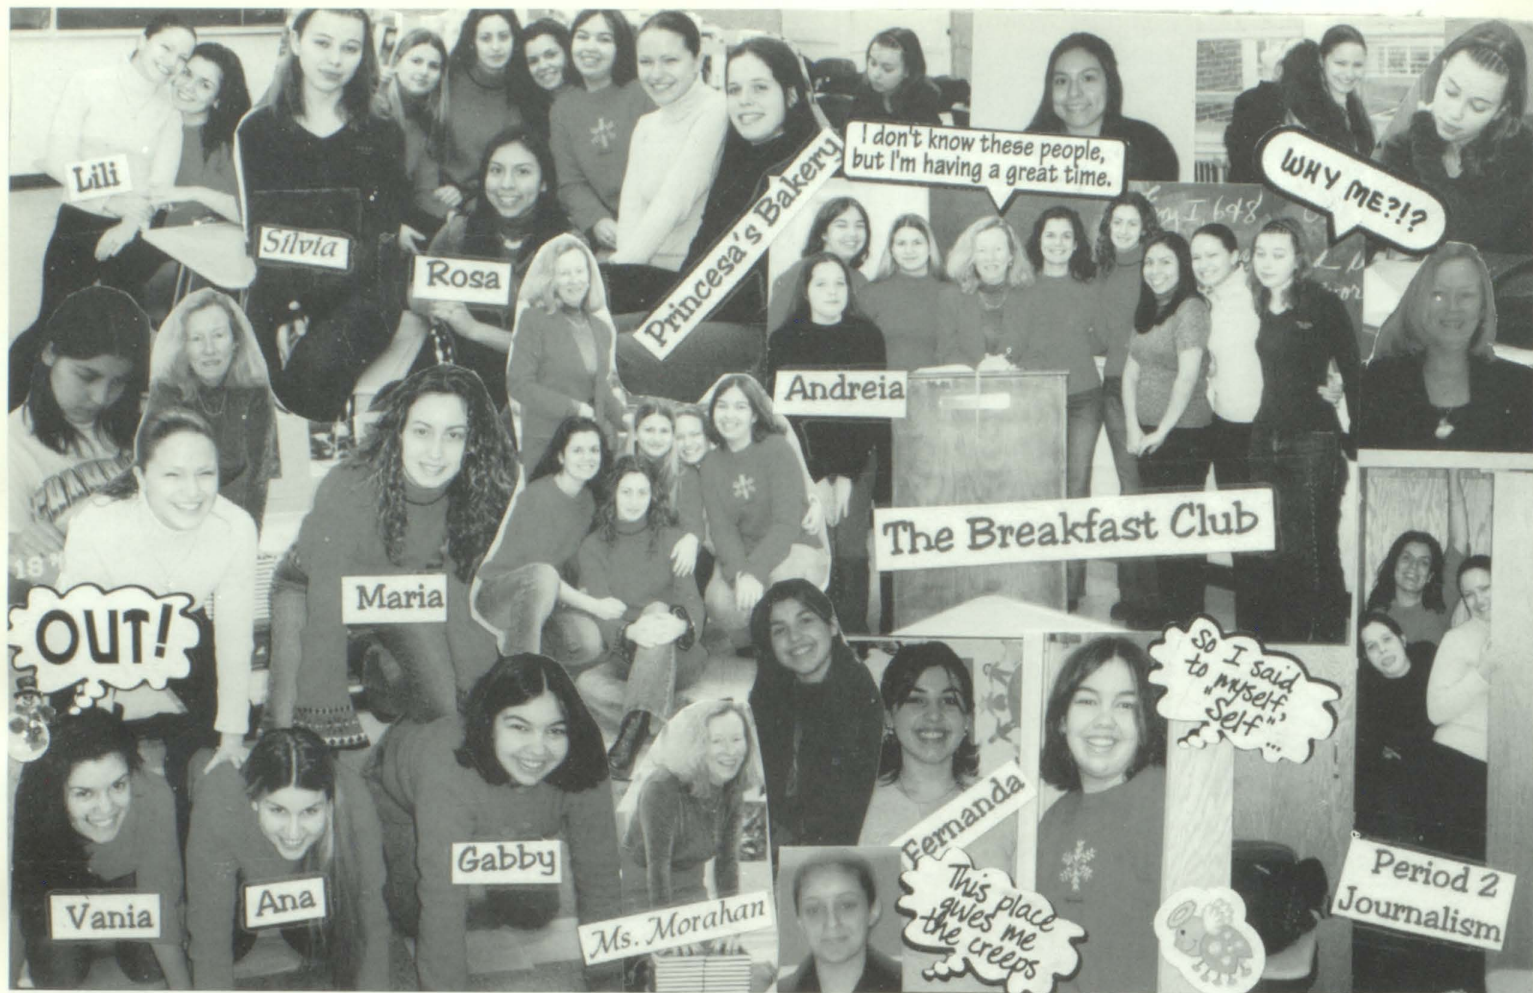

Rosa

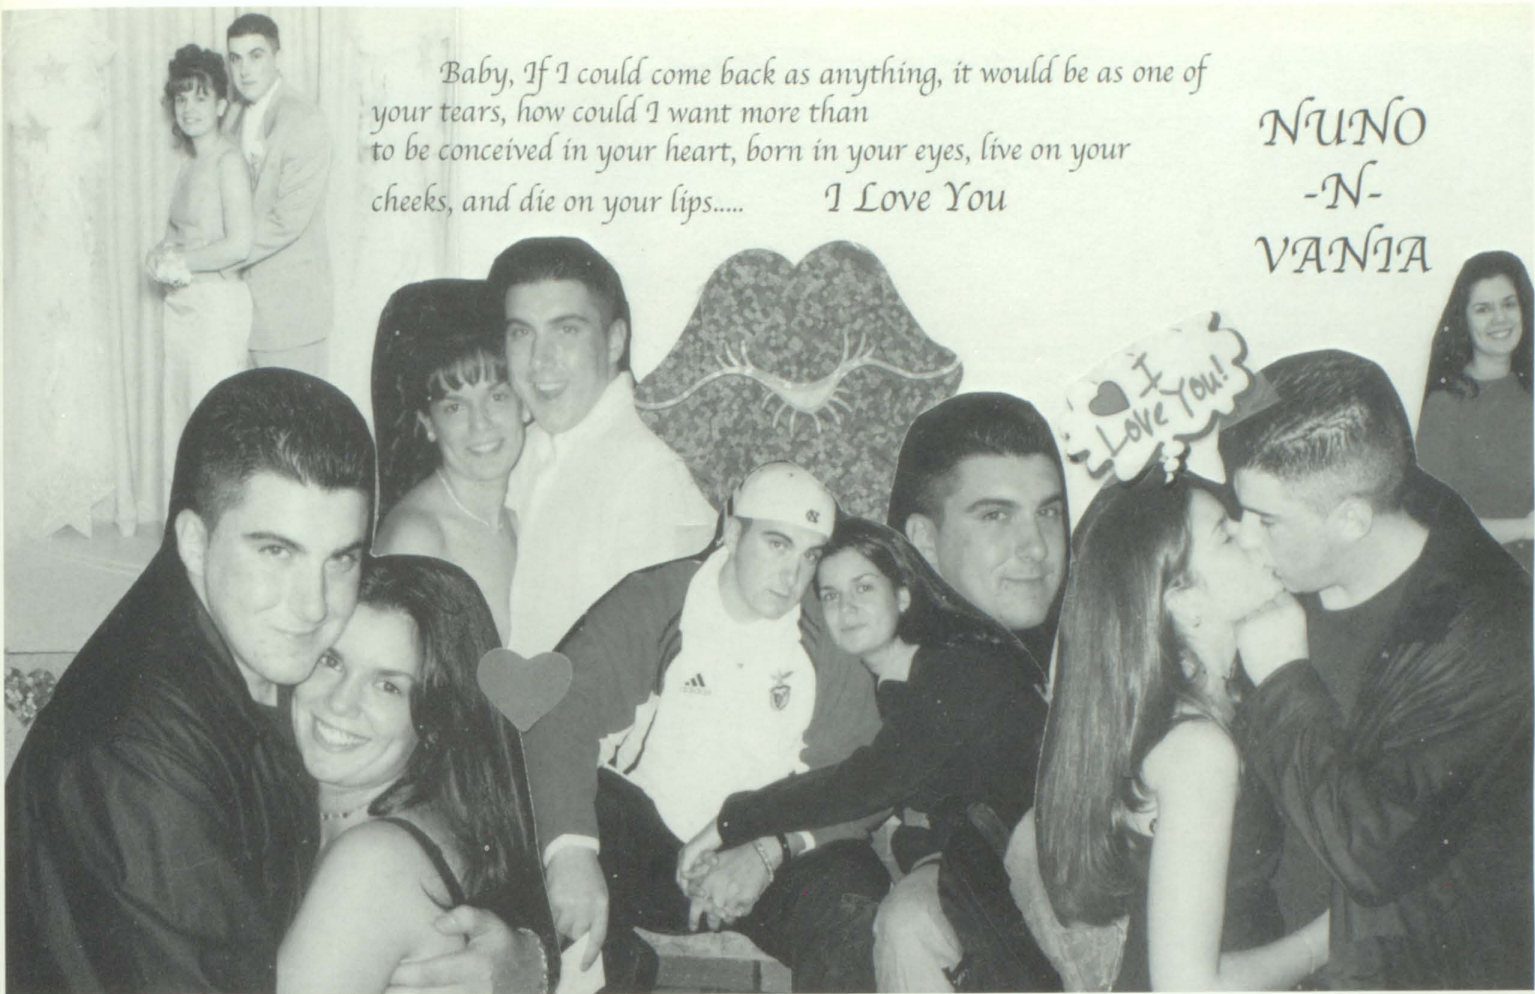

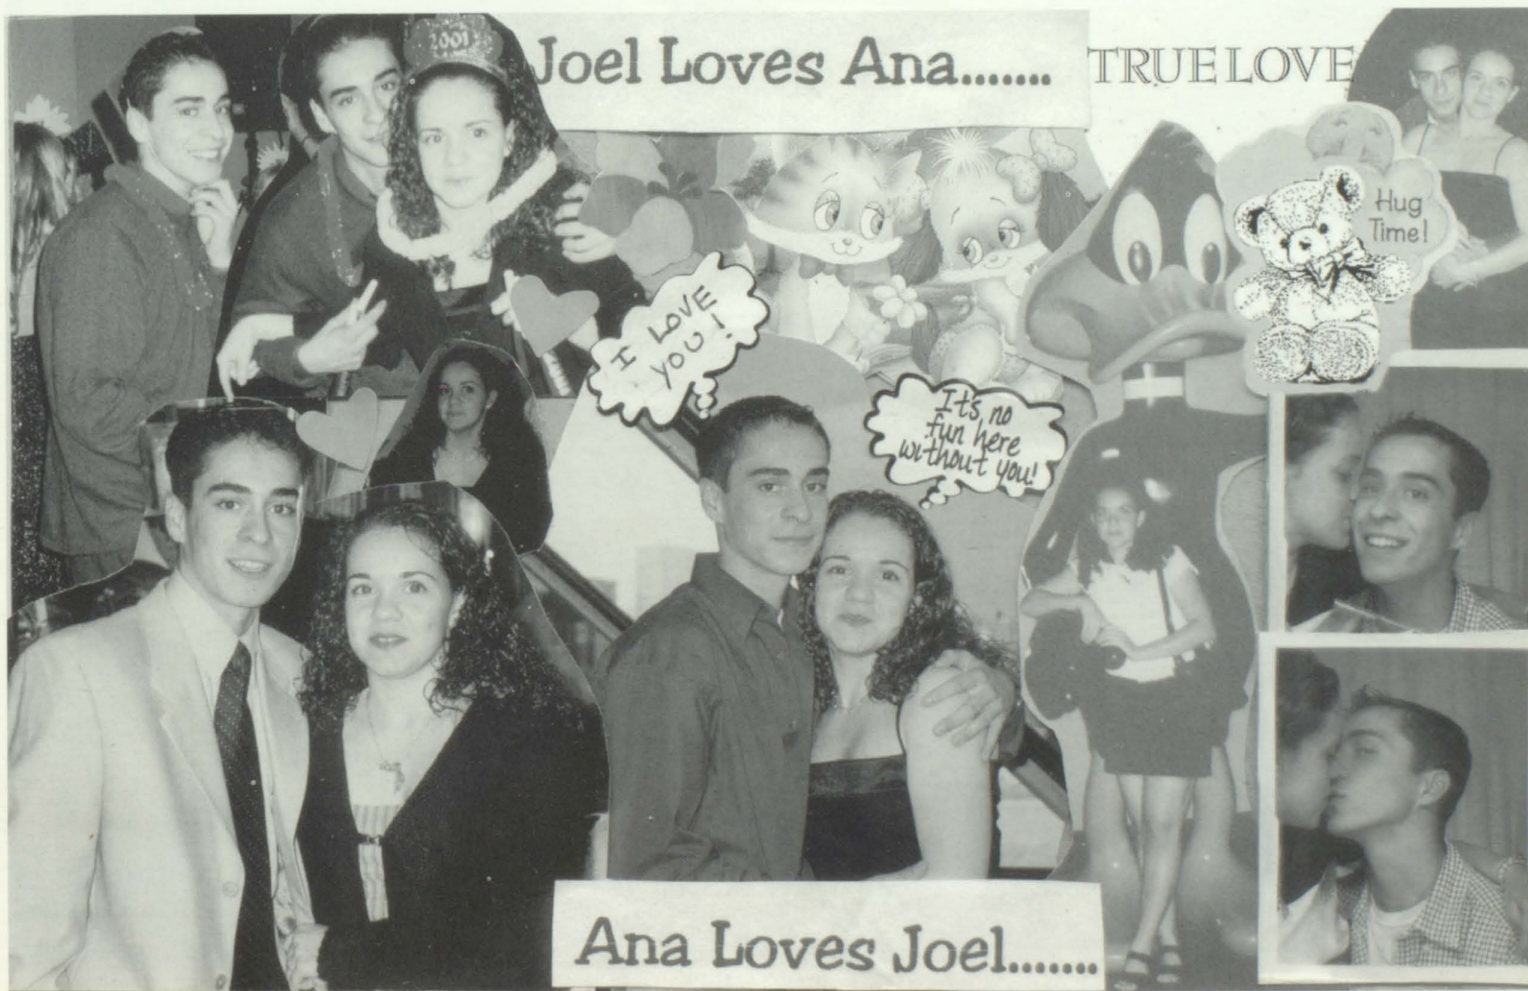

Baby, If I could come back as anything, it would be as one of
your tears, how could I want more than
to be conceived in your heart, born in your eyes, live on your
cheeks, and die on your lips..... I Love You

The yearbook staff would like to thank all the people who supported us and understood how truly insane and difficult a task it is to create a book of this type of scope and ambition. For innumerable hours, this year's staff has put real blood, real sweat and real tears into fashioning a poignant monument to our years at East Side. It is our hope, as was our intention, that every member of the graduating class can find an emotional connection to this book that will stir memories for years to come.

Alma Mater

*In the bustling city's bosom,
Like a gem most rare,
Shines the noblest of our treasures, Shines our
High School fair.*

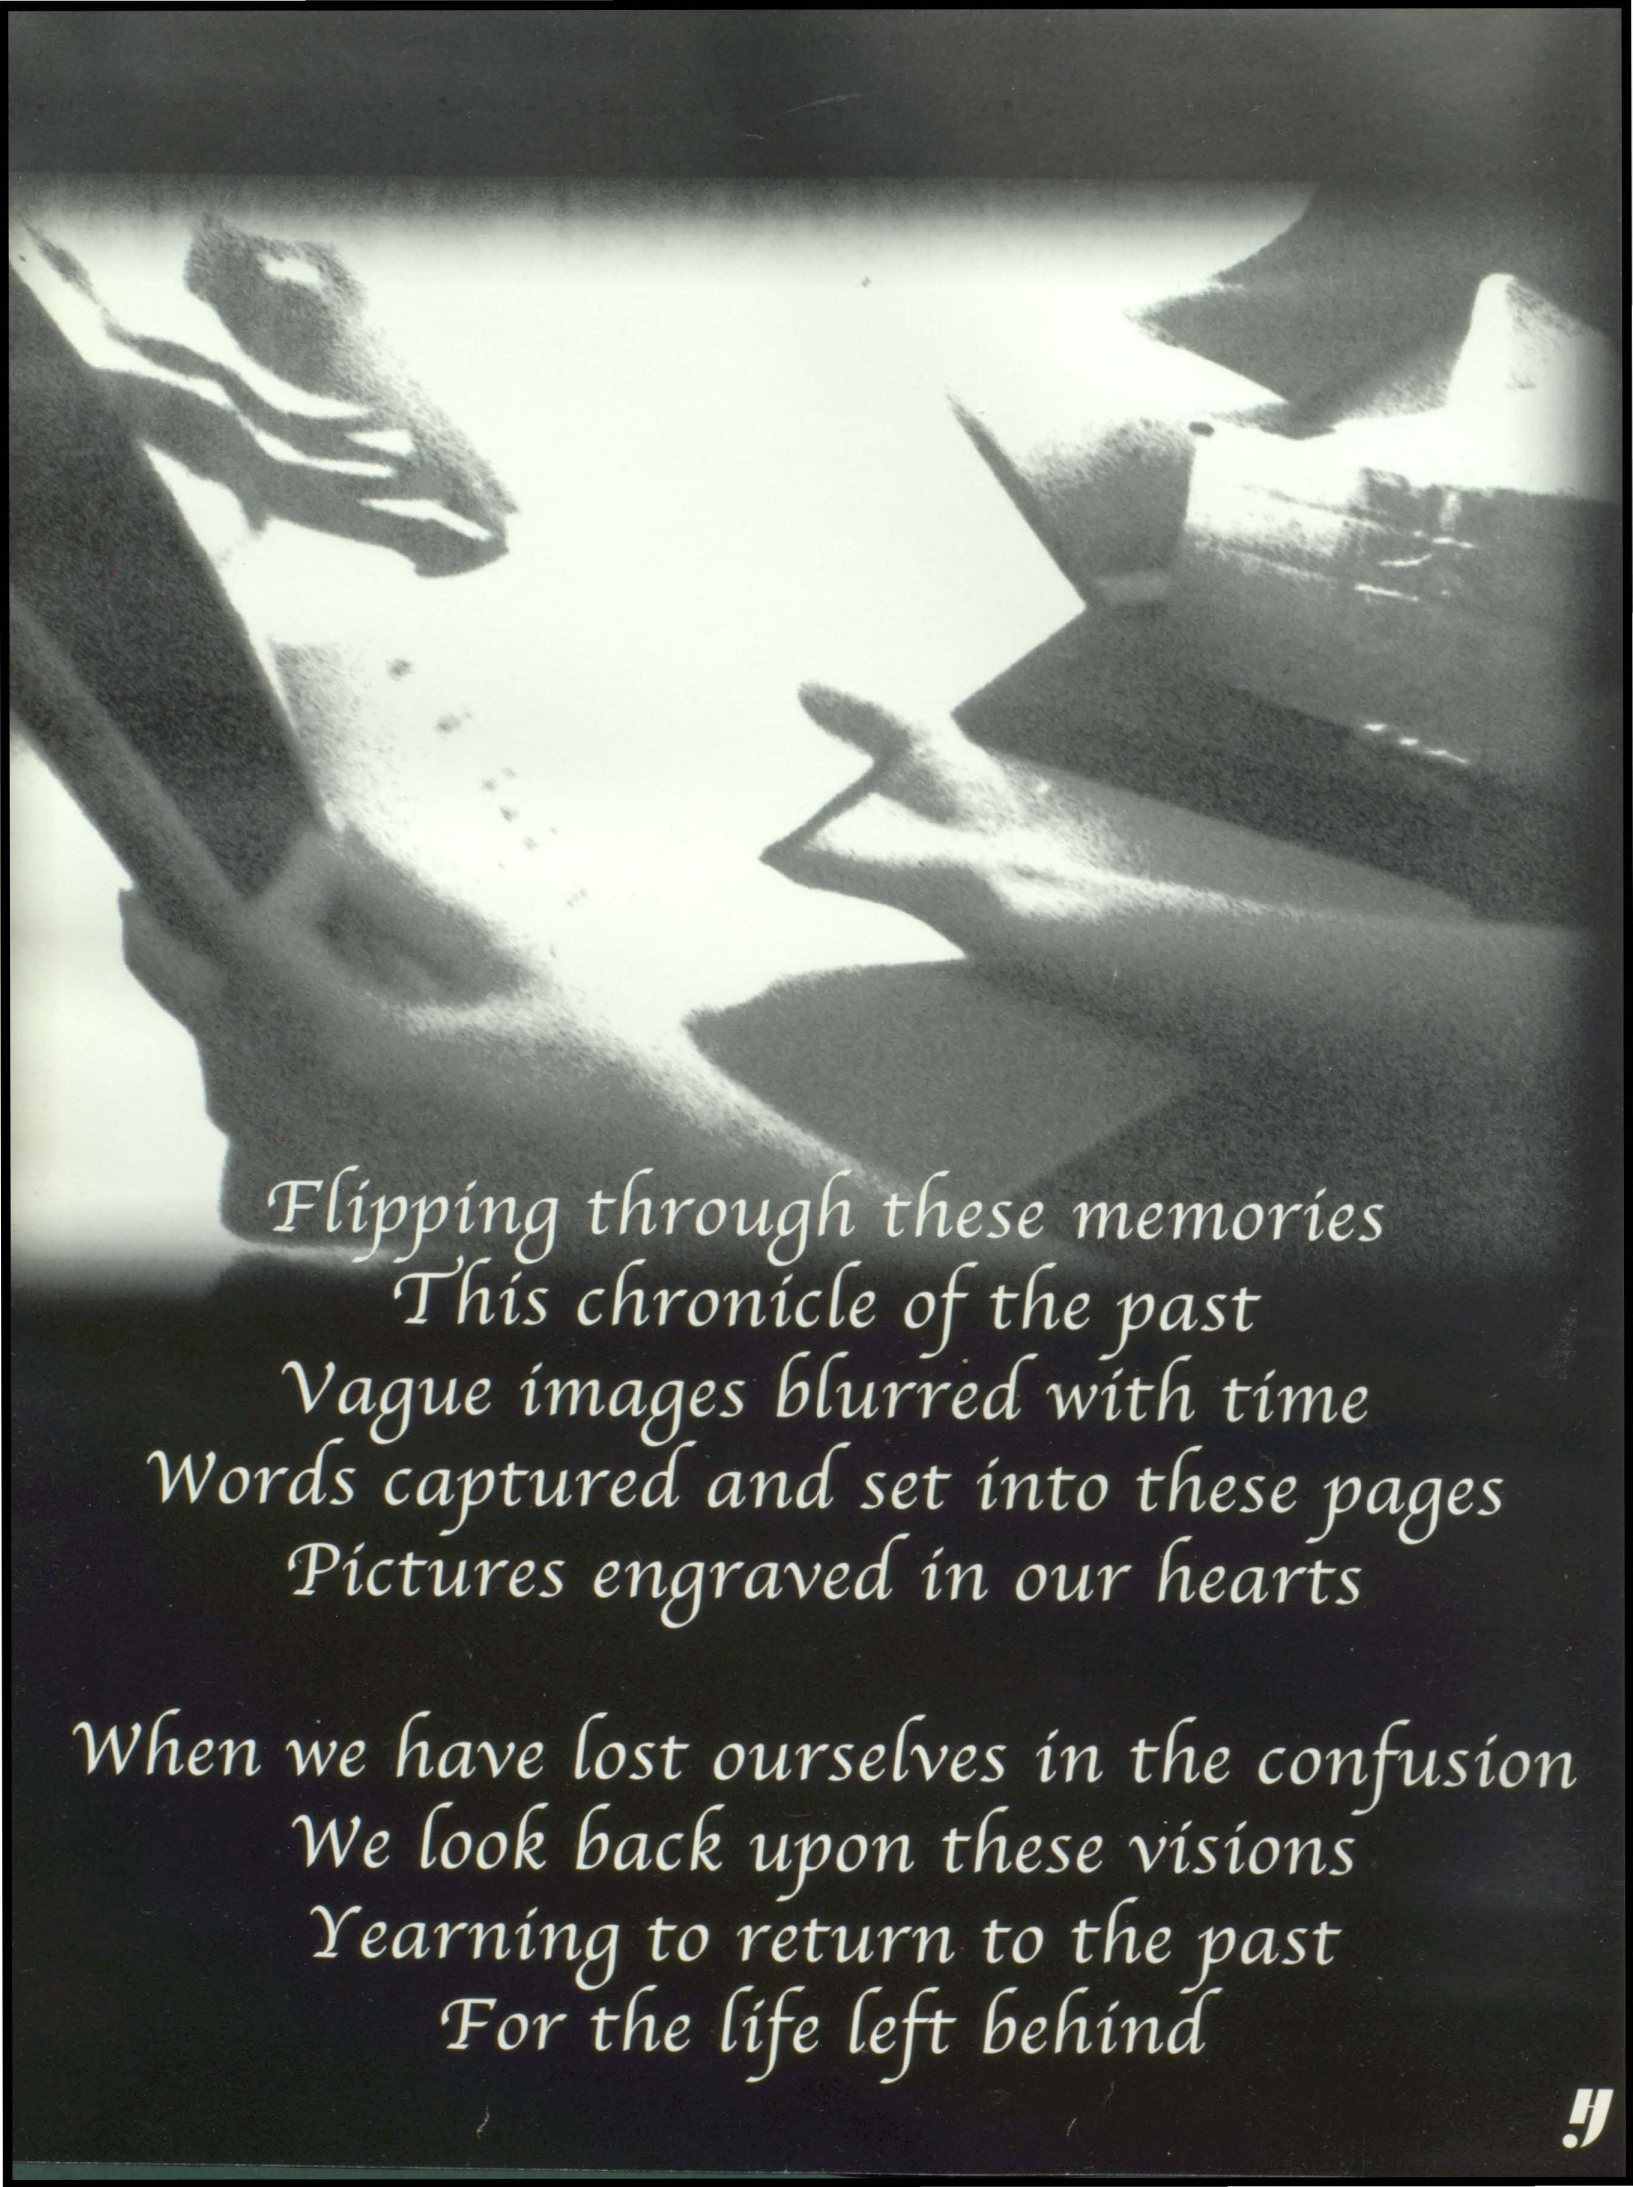

*In the field, the hall, the city,
Loyal to thy name,
Be it ever our endeavor,
far to spread thy fame.*

*Then unite in loyal praises,
Ere the glad days run,
In the world are many high schools,
In our hearts but ONE.*

Chorus

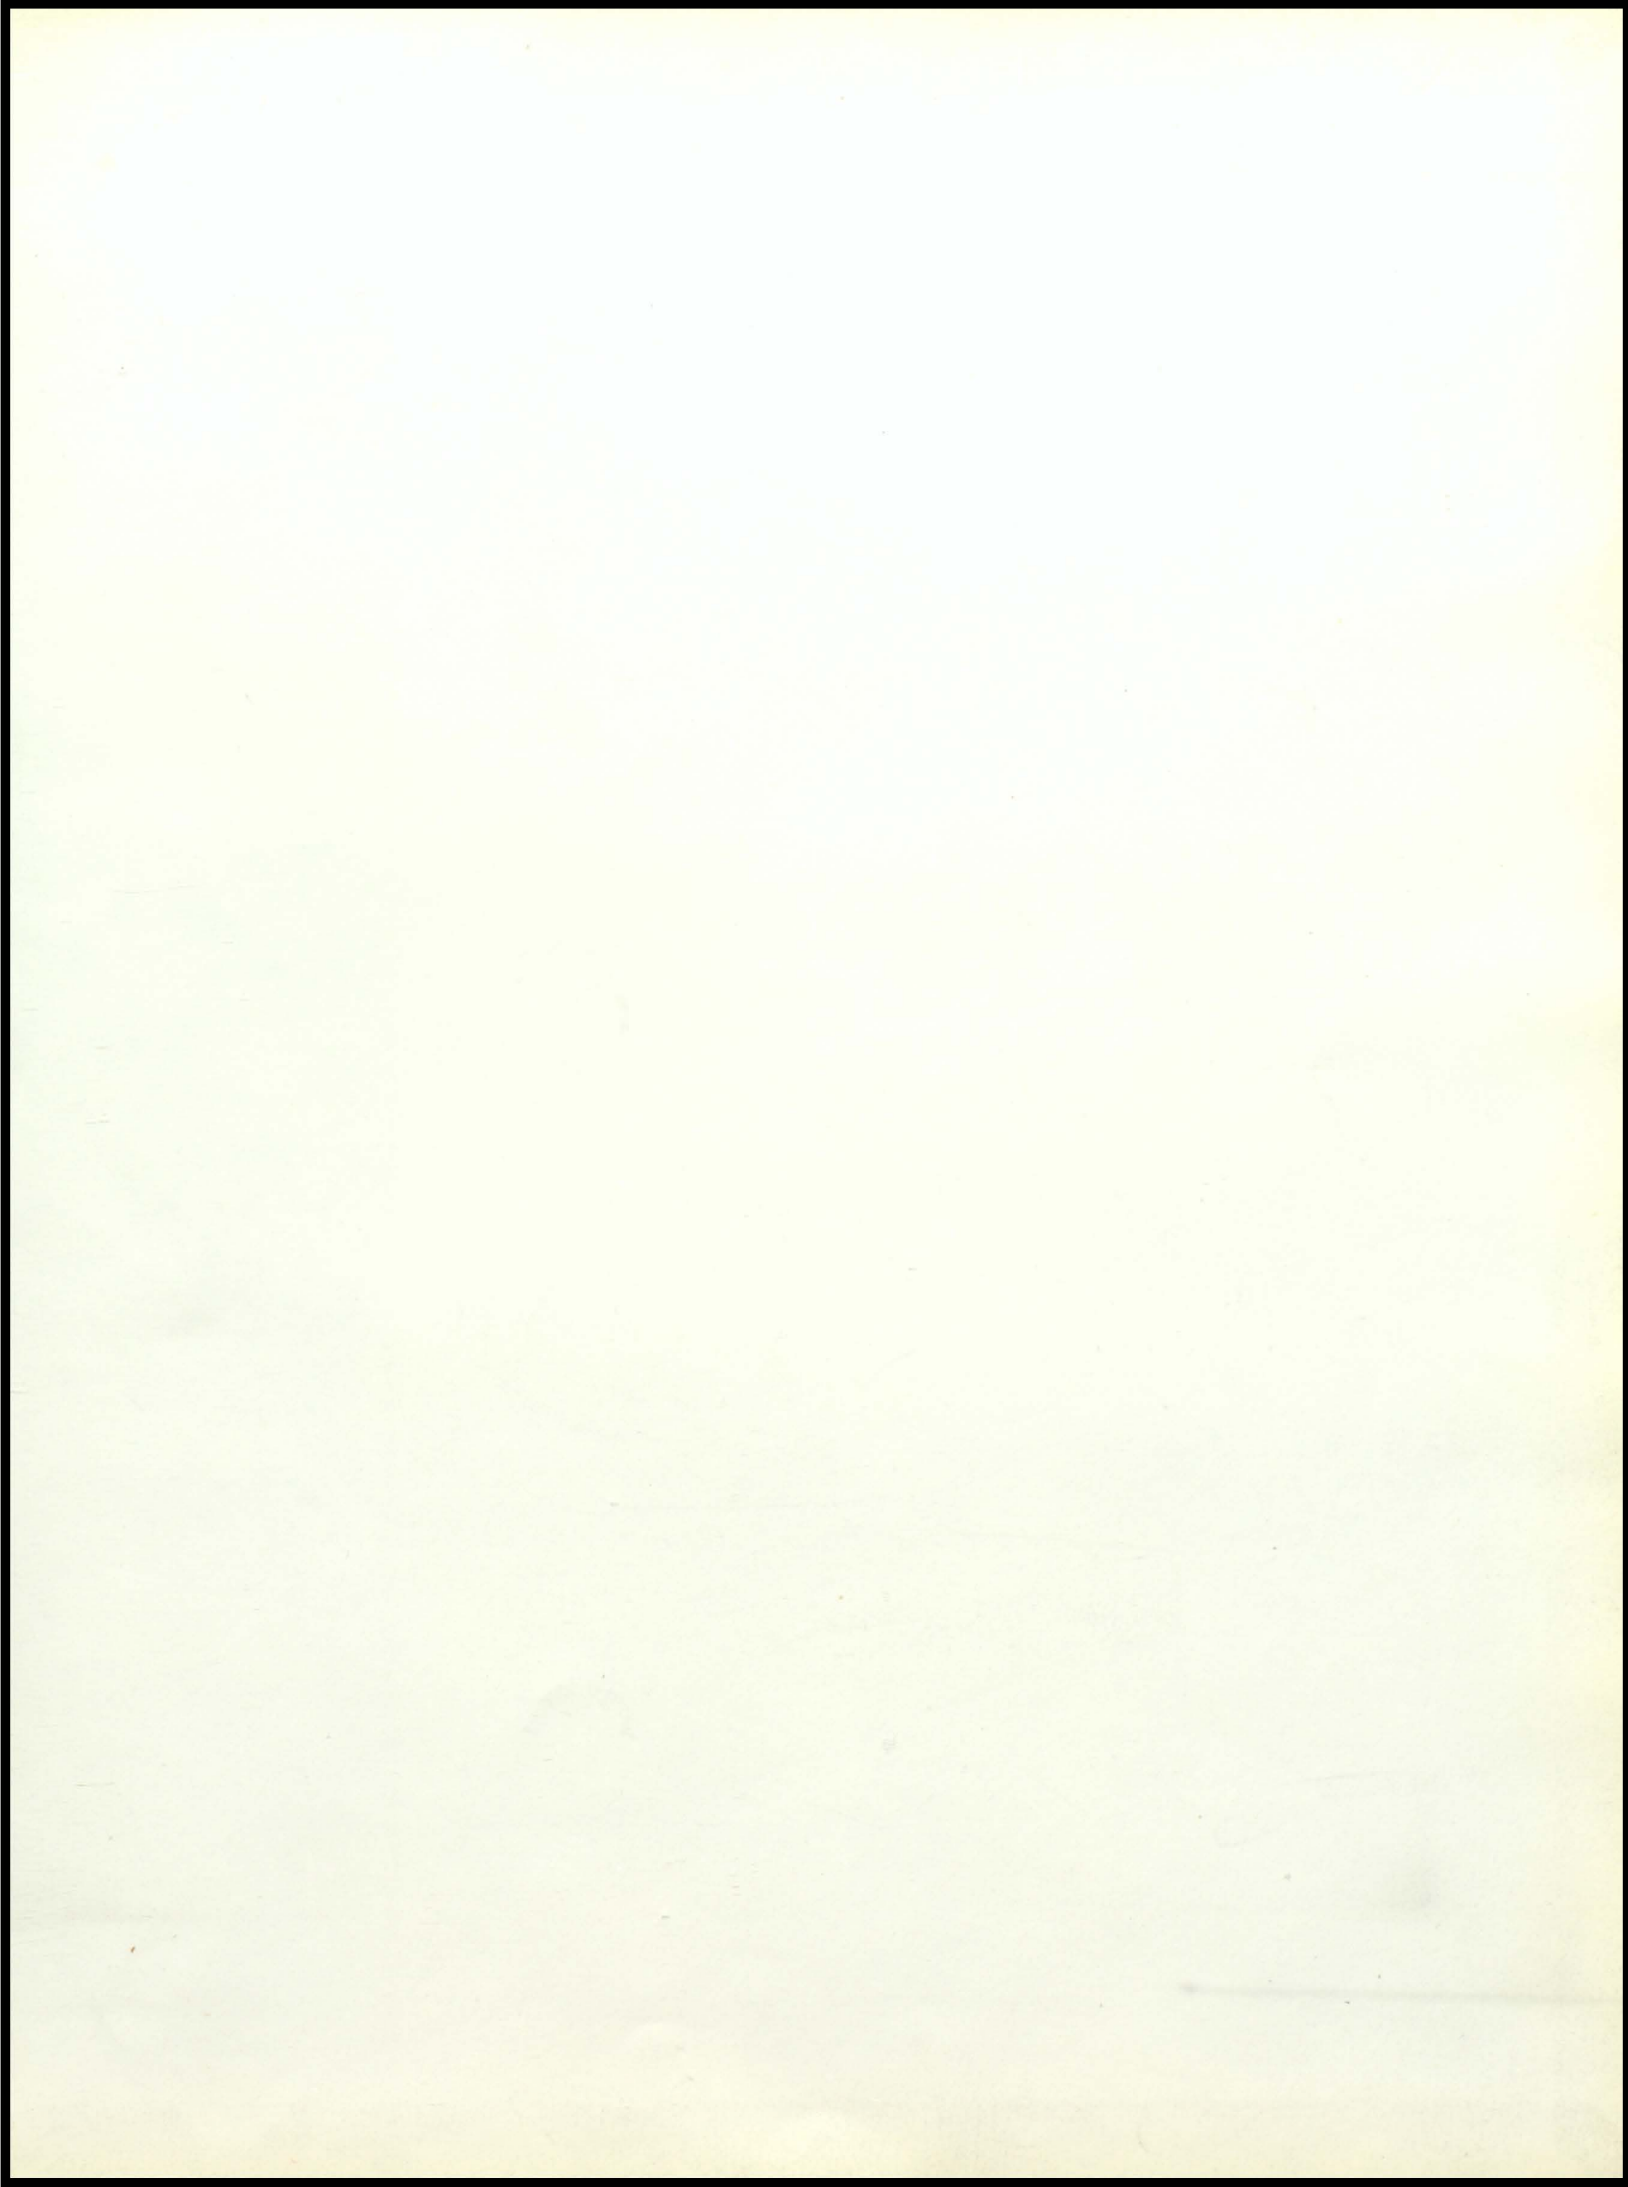

*Hail, all hail, dear East Side High School
Green thy memory be;*

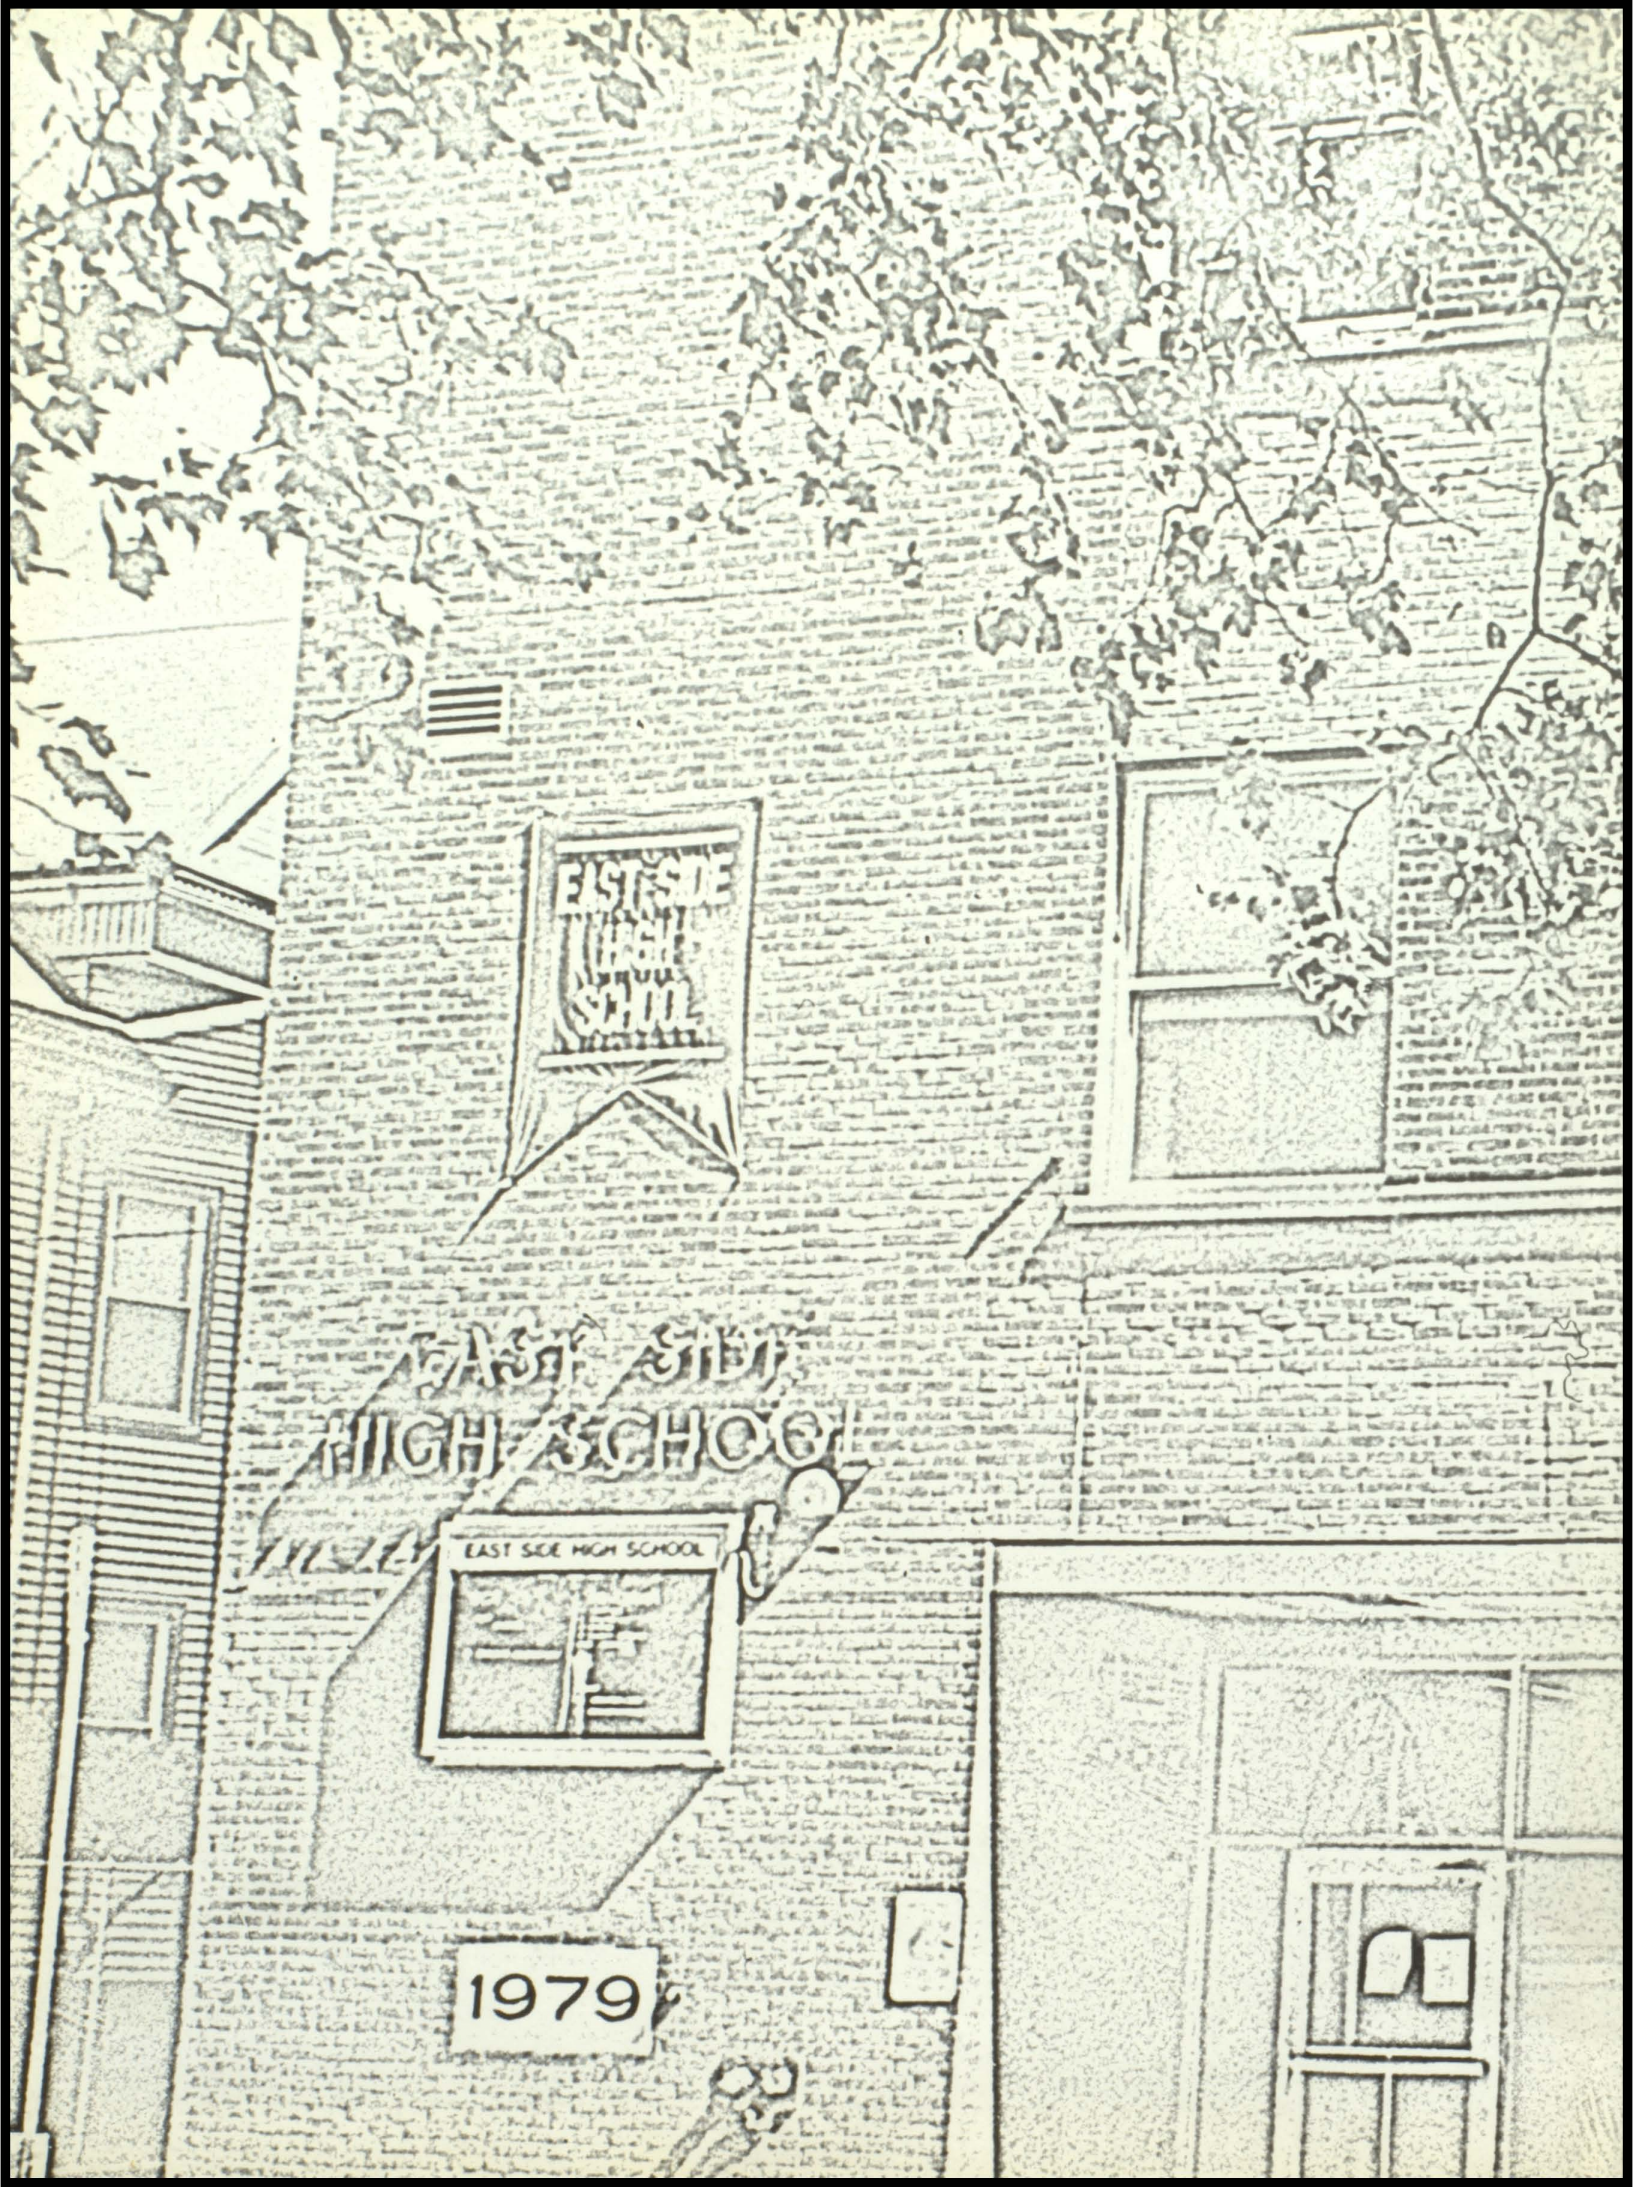

*By the bond of happy hours
Are we bound to thee.*

*Flipping through these memories
This chronicle of the past
Vague images blurred with time
Words captured and set into these pages
Pictures engraved in our hearts*

*When we have lost ourselves in the confusion
We look back upon these visions
Yearning to return to the past
For the life left behind*
